HOW OUR GRANTS HAVE MADE A DIFFERENCE

"I would have never gotten this award without showing the preliminary data generated by the AAOF grants."

— WELLINGTON J. RODY JR. DDS, MS
ASSOCIATE PROFESSOR AND CHAIR
STONY BROOK SCHOOL OF DENTAL MEDICINE

"AAOF funding has allowed me to pursue orthodontics-related research projects that perhaps would not have been initially funded by the NIH. The preliminary data generated in my laboratory with these funds will allow me to submit competitive NIH grants. Thank you AAOF!"

— ANDREW H. JHEON PHD, DDS, ORTHO (CERT.)
ASSISTANT PROFESSOR
UCSF SCHOOL OF DENTISTRY

"I would like to express my sincere gratitude for the immense support from the AAOF through RAA and OFDFA grants. I thank AAOF for its continuous support to current and future educators."
